HB 78 Original

2018 Regular Session

Nancy Landry

Abstract: Creates the crime of hazing at certain educational institutions and provides for exceptions, definitions, and penalties relative to the offense, and further provides relative to consequences imposed by the educational institution for acts of hazing.

Present law provides that hazing in any form, or the use of any method of initiation into fraternal organizations in any educational institution supported wholly or in part by public funds, which is likely to cause bodily danger or physical punishment to any student or other person attending any such institution is prohibited. Further provides that whoever violates these provisions of present law shall be fined not less than \$10 nor more than \$100, or imprisoned for not less than 10 days nor more than 30 days, or both, and in addition, shall be expelled from the educational institution and not permitted to return during the current session or term in which the violation occurs.

Proposed law amends present law to apply to any organization in an educational institution, and to remove the fine and term of imprisonment as consequences for engaging in this activity and provide that the student may be dismissed or suspended from the educational institution for the current session or term in which the violation occurs. Further provides that persons who engage in such activity may be subject to the provisions of proposed law which provides penalties for persons who engage in hazing activity.

Proposed law creates the crime of hazing which prohibits any person from engaging in or participating in the hazing of another person, regardless of whether the person voluntarily allowed himself to be hazed or consented to the hazing. Further provides for the following penalties:

- (1) Either a fine of up to \$1,000, imprisonment for up to six months, or both.
- (2) If the hazing results in the serious bodily injury or death of the victim, the person who engaged in or participated in the hazing shall be fined up to \$10,000, and imprisoned, with or without hard labor, for up to five years.

Proposed law also provides that if any person serving as a representative or officer of an organization knew or should have known that one or more of the organization's members were engaging in or participating in the hazing of another person the organization may be subject to the following penalties:

- (1) Payment of a fine of up to \$100,000.

- (2) Forfeiture of any public funds received by the organization.
- (3) Forfeiture of all rights and privileges of being an organization that is organized and operating at the educational institution.

Proposed law defines "hazing" as any intentional, knowing, or reckless act by a person acting alone or acting with others that is directed against another when both of the following apply:

- (1) The person knew or should have known that the act endangers the physical health or safety of the other person or causes severe emotional distress.
- (2) The act was associated with pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization.

Proposed law further provides that "hazing" includes but is not limited to any of the following that is associated with pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization:

- (1) Physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity.
- (2) Physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, or calisthenics, that subjects the other person to an unreasonable risk of harm or that adversely affects the physical health or safety of the individual or causes severe emotional distress.
- (3) Activity involving consumption of food, liquid, or any other substance, including but not limited to an alcoholic beverage or drug, that subjects the individual to an unreasonable risk of harm or that adversely affects the physical health or safety of the individual or causes severe emotional distress.
- (4) Activity that induces, causes, or requires an individual to perform a duty or task that involves the commission of a crime or an act of hazing.

Proposed law provides exceptions for normal physical activity associated with athletics, physical education, military training, or similar programs.

Proposed law also defines "organization" as a fraternity, sorority, association, corporation, order, society, corps, cooperative, club, service group, social group, band, spirit group, athletic team, or similar group whose members are primarily students at, or former students of, an elementary or secondary school or a postsecondary education institution in this state. "Organization", for purposes of proposed law, does not include the educational institution.

Finally, proposed law provides that the penalties provided by proposed law do not preclude any civil remedies provided by present law and may be imposed in addition to any penalty that may be imposed for any other present law criminal offense arising from the same incident or activity, and

in addition to any penalty imposed by the organization or educational institution pursuant to its by-laws, rules, or policies regarding hazing.
