30	(3) Individuals with health-related barriers to employment.
31	(4) Other persons or populations with extenuating circumstances as
32	determined by the secretary.
-	<u>accommod of the secretary.</u>
33	D. The work and community engagement initiative shall include procedures
34	that allow for an assessment of beneficiaries' abilities and barriers to employment in
35	order to identify appropriate services, supports, and any modifications necessary for
36	those individuals to participate in work and community engagement activities and
37	attain long-term employment and self-sufficiency.
20	
38	E. The work and community engagement initiative shall ensure all of the
39	following:
40	(1) That individuals with substance use disorders, who may not be defined
41	as disabled for Medicaid purposes but may be protected by certain disability laws,
42	have access to appropriate Medicaid coverage and treatment services.
43	(2) That individuals with a serious medical condition or terminal illness have
44	access to appropriate Medicaid coverage and treatment services.
45	(3) That beneficiaries have support in meeting work and community
46	engagement requirements through linkages to resources for job training or other
47	employment services, child care assistance, transportation, or other work supports
48	necessary to help beneficiaries prepare for work or increase their earnings.
49	(4) That the project adheres to all requirements set forth by the Centers for
50	Medicare and Medicaid Services, including but not limited to due process for
51	recipients, transparency, budget neutrality, monitoring, and evaluation.
50	
52	F. The work and community engagement initiative shall establish supports
