DIGEST

SB 186 Original

2018 Regular Session

Mills

Present law allows a physician to advertise he is board certified if the board meets certain enumerated qualifications. Proposed law repeals the enumerated provision that required the Louisiana State Board of Medical Examiners to approve of the board in order for the physician to reference it in his advertisement.

Effective August 1, 2018.

(Amends R.S. 37:1285(A)(32)(b))
