DIGEST

SB 217 Original

2018 Regular Session

Carter

Present law provides that a qualified truck stop facility may be granted a license for the placement of up to 50 video draw poker devices in his facility based on the fuel sales of the qualified truck stop.

Present law provides that the number of video draw poker devices placed at a qualified truck stop shall be based on the average monthly fuel sales.

Proposed law deletes present law and provides that to be granted a license for the placement of video draw poker devices, a qualified truck stop facility must have a fuel facility that offers fuel sales for individual vehicle consumption.

Present law provides that the board may adopt rules to recognize alternative fuel sources to satisfy the fuel sale requirement.

Proposed law retains present law reference to the fuel sale requirements and otherwise retains present law.

Present law provides that any person applying for a truck stop facility license may be issued up to 25 video draw poker devices temporarily without meeting the fuel sale requirements if the facility meets all other licensing and amenity requirements.

Proposed law deletes present law.

Present law provides for the method of calculating the monthly fuel sales for a newly licensed qualified truck stop facility.

Proposed law deletes present law.

Present law provides for the method of calculating the monthly fuel sales of a qualified truck stop facility that is unable to meet fuel sale requirements due to reasons of force majeure or other noncommercial circumstances.

Proposed law deletes present law.

Effective August 1, 2018.
