HB 337 Original

2018 Regular Session

Foil

Abstract: Requires public school governing authorities to develop procedures for notifying volunteers of a school's crisis management and response plan.

Present law provides that no person shall go on public school grounds or in any school facility as a visitor during school hours without authority of the appropriate school official. Defines "visitor" to mean any person except: (1) an employee of the school or school system, (2) a member of the school or school system's governing authority, (3) a student enrolled in the school system, and (4) a parent, guardian, or other person authorized by a parent or guardian who is delivering a student to school at the beginning of the school day or is picking up a student at the end of the school day.

Proposed law retains present law.

Present law requires every governing authority of a public elementary or secondary school to develop and adopt written rules, regulations, and procedures for authorizing people to go onto public school grounds as visitors. Requires notifying visitors of such rules, regulations, and procedures.

Proposed law retains present law.

Present law requires each school principal to prepare a crisis management and response plan for dealing with a violent incident or emergency situation.

Proposed law requires that a visitor who is volunteering at a school be informed about the school's crisis management and response plan.
