Abstract: Provides for technical changes relative to the state Dept. of Education's review of textbooks in core areas.

Present law requires the state Dept. of Education (DOE) to conduct reviews of textbooks and other instructional materials in the core subjects of English language arts, mathematics, science, and social studies and to determine the degree to which each aligns with state content standards. Authorizes DOE to conduct reviews in other subject areas as it deems necessary or upon the request of a public school governing authority. Proposed law provides for technical changes; otherwise retains present law.
