The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Martha S. Hess.

DIGEST

SB 353 Original

2018 Regular Session

LaFleur

<u>Present law</u> provides for the creation of the Deepwater Horizon Economic Damages Collection Fund, and provides that all economic damage proceeds from the Deepwater Horizon litigation in excess of the first \$200 million deposited into the FY 15-16 Deficit Elimination Fund, shall be deposited into the Economic Damages Collection Fund and then deposited as follows:

- (1) 45% to the Budget Stabilization Fund.
- (2) 45% to the Trust Fund for the Elderly.
- (3) 10% to the Health Trust Fund.

<u>Proposed law</u> retains <u>present law</u> but <u>proposed law</u> provides that the 2019 payment from the Deepwater Horizon litigation in the amount of \$53,333,333 shall be deposited into the state general fund.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 39:91(A)(2) and (B)(intro para); adds R.S. 39:91(A)(3))
