SB 359 Original                                                  DIGEST                                                  2018 Regular Session                                                  Walsworth

Proposed law requires the secretary of DEQ, or his designee, to exempt from regulations liners, final covers, closure, and post-closure requirements for surface impoundments that receive waste resulting from the production of pulp and paper generated onsite.

Effective upon signature of the governor or lapse of time for gubernatorial action.
