DIGEST

SB 373 Original

2018 Regular Session

Barrow

Present law provides for the commissioner of administration to establish and maintain a website to post reports of state spending. The reports shall include the nature and amount of appropriations for the executive branch of state government, annual salaries and total compensation of statewide elected officials and cabinet-level positions in the executive branch of state government, and the total number in the table of organization for each budget unit. The website shall contain a monthly report of spending by each budget unit.

Present law also requires the commissioner to post reports on state contracts on the website.

Proposed law retains present law and provides that the LaTrac website shall include reports of all revenues, exemptions, credits, and rebates.

Effective August 1, 2018.
