Proposed Amd.:

Sub. Bill For.:

Date: March 12, 2018 12:46 PM	Author: STOKES
Dept./Agy.: Legislature	Analyst: Willie Marie Scott
Subject: Constitutional Amendment for Legislative Sessions	

LEGISLATIVE SESSIONS OR NO IMPACT See Note Page 1 of 1
(Constitutional Amendment) Provides for the length of and subject matters considered during regular legislative sessions.

The proposed constitutional amendment repeals all present constitution provisions relative to regular sessions convening in even-numbered years and all restrictions on the subject matter of items introduced or considered during a regular session. It further provides for submission of the proposed amendment to the voters at the statewide election to be held on 11/6/2018.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure since the legislation merely removes reference to "regular sessions convening in even-numbered years"; and the restrictions on the subject matter considered during a regular legislative session. The Department of State budgets for additional constitutional amendments for the fall statewide elections as regular practice and any cost associated with this proposed constitutional amendment will be absorbed with the agency's budget.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
