HB 146 Engrossed

2018 Regular Session

Davis

Abstract: Defines an "economic development project" for purposes of a late capital outlay application seeking a recommendation for inclusion in the capital outlay act from the secretary of the Dept. of Economic Development.

Present law requires the governor to submit his capital outlay budget which implements the first year of the five-year capital outlay program and the bond authorization bill for the sale of bonds to fund projects included in the bond portion of the capital outlay bill to the legislature no later than the 8th day of each regular session.

Present law authorizes capital outlay budget requests submitted after Nov. 1st to be included in the capital outlay act only if the budget request meets all of the applicable requirements as provided in present law, except for time of submission, and the project is an economic development project recommended in writing by the secretary of the Dept. of Economic Development (DED), the project is an emergency project recommended in writing by the commissioner of administration, the project is for a nonstate entity which meets certain present law requirements, or the project is located in a designated disaster area and it meets certain present law requirements.

Proposed law retains present law.

Present law defines the term "economic development" as follows:

- (1) Improvements on public or government-owned property for attracting or retaining a new or existing manufacturing or business operation that benefits La.
- (2) Facilities or improvements on public or government-owned property that generate new, permanent employment or which help retain existing employment.
- (3) Facilities or infrastructure improvements on public or government-owned property necessary for a manufacturing plant or business to operate.

Proposed law changes the term to "economic development *project*" and defines it as a recruitment or retention project sponsored by DED or a political subdivision or other public entity which has economic development as part of its stated mission or purpose, that meets *one* of the following:

- (1) Improvements on public or government-owned property for attracting or retaining a new or existing manufacturing or business operation that benefits La. and generates new, permanent

employment or which helps retain existing employment.

- (2) Facilities or infrastructure improvements on public or government-owned property necessary for a manufacturing plant or business to operate.

Applicable to the funding of all nonstate entity projects included in the capital outlay budget for fiscal years commencing on and after July 1, 2018.

Effective July 1, 2018.
