**Abstract:** Increases the maximum amount of per diem that the governing authority of Vermilion Parish is authorized to pay to members of the governing board of Vermilion Parish Hospital Service District No. 3 and increases the number of meetings for which the commissioners may be paid.

Present law authorizes parishes to create hospital service districts. Provides that the governing authority of the parish in which the district is located may permit per diem to each member of the commission not less than \$25 nor more than \$40 for each day of his attendance at commission meetings, not to exceed 12 regular meetings per year, payable out of the funds of the hospital service district.

Proposed law authorizes the governing authority of Vermilion Parish to pay members of the governing board of Vermilion Parish Hospital Service District No. 3 a per diem not to exceed \$125. Authorizes payment of per diem to such members for four special meetings per year, in addition to the 12 regular meetings, and otherwise retains present law.
