Creates a legislative advisory task force on conducting of school board meetings.

The proposed bill creates the Louisiana Commission on Public Meetings of School Boards (LCPMSB), comprised of 17 members, as an advisory legislative agency to study the operation and management of school board meetings. It further provides that a member may be paid per diem and be reimbursed for reasonable and necessary travel and other expenses incurred on business of the Commission provided such reimbursement is authorized and paid by the representative agency or organization. The LCPMSB shall hold at least 2 meetings annually, and other meetings upon call of the chairman or a majority of the members. Staff and facilities needed by the LCPMSB to accomplish its purposes shall be provided by the legislature from its existing resources.

EXPENDITURE EXPLANATION

The proposed legislation will result in an indeterminable increase in SGF expenditures. The legislative per diem rate of \$164 and the cost of related benefits (7.65% includes FICA 6.2% and Medicare 1.45%) is approximately \$13 for a daily cost of approximately \$177/day. It would cost \$708 per day for 4 legislators to attend meetings plus mileage reimbursement, which is approximately \$0.545 per mile. However, the impact on expenditures is indeterminable and will depend upon mileage of the members, the number of meeting days held, and the actions taken by the Commission. To the extent that commission members from other state agencies request travel allowance (mileage only) and other expenses incurred, there will be additional indeterminable costs. There will also be costs for the payment of supplies, materials, printing and reproduction of materials and all other necessary expenses incurred in connection with the LCPMSB and its work. Staff and facilities needed by the Commission shall be provided by the Legislature from its existing resources.
