EXPENDITURE EXPLANATION

Proposed law may result in a nominal increase of state governmental expenditures, presumed to be SGF.

Present law provides that members of the Commission shall serve without compensation but shall be entitled to receive travel expenses. To the extent that the speaker of the House of Representatives and president of the Senate, or their designees, file for reimbursement of travel expenses, there would be a nominal increase of SGF expenditures. Travel reimbursement is paid at approximately \$0.545 per mile.
