4 comprised of municipalities with smaller populations; to provide relative to the
5 purpose, governance, and powers and duties of the consortium; and to provide for
6 related matters.

7 Be it enacted by the Legislature of Louisiana:

8 Section 1. Chapter 49 of Title 33 of the Louisiana Revised Statutes of 1950,
9 comprised of R.S. 33:9711, is hereby enacted to read as follows:

10 CHAPTER 49. MUNICIPAL CONSORTIUM

11 §9711. Municipal consortium

12 A. Findings and purpose. (1) The legislature finds that the citizens of the
13 state can benefit from smaller municipalities cooperating with one another to
14 highlight and leverage the creative assets of the municipalities to attract and retain
15 residents and businesses and to bring visitors to experience the unique nature of their
16 areas.

17 (2) The legislature recognizes that many smaller municipalities confront
18 structural changes and residential uprooting and that there is a need for revitalization
19 through creative initiatives that animate places and spark economic development.

20 This goal can be better achieved by allowing smaller municipalities to participate in

1 a consortium so that they may use their collective resources to promote their local
2 assets which will help them to achieve gains in jobs, income, diversity, and livability.

3 B. Creation. There is hereby created a municipal consortium, referred to in
4 this Subpart as the "consortium", comprised of municipalities with a population of
5 not more than thirty-five thousand persons according to the latest federal decennial
6 census, for the purpose of fostering cooperation between the municipalities in order
7 to showcase the unique assets of their localities and to spark economic development.

8 C. Governance. The consortium shall be governed by a board of directors,
9 referred to in this Subpart as the "board". The membership of the board shall be as
10 provided by ordinance adopted by the governing authorities of the respective
11 municipalities; provided however, the board shall include at least one member of a
12 federally recognized tribe, one member of a state recognized tribe, one member of
13 the Louisiana House of Representatives, and one member of the Louisiana Senate.
14 The board shall adopt bylaws to govern its meetings and activities.

15 D. Powers and duties. The consortium, acting through its board, shall have
16 the following powers and duties:

17 (1) To sue and be sued.

18 (2) To adopt, use, and alter at will a corporate seal.

19 (3) To receive and expend funds collected pursuant to Subsection E of this
20 Section.

21 (4) To enter into contracts with individuals or entities, private or public.

22 (5) To incur debts and borrow money, but no debt so incurred shall be
23 payable from any source other than the revenues to be derived by the consortium.

24 (6) To pledge all or any part of its revenues.

25 (7) To perform or have performed any other function or activity necessary
26 or appropriate to carry out the purposes of the consortium.

27 E. Funding. The consortium may solicit and accept voluntary contributions
28 and grants to further the purposes of the consortium.

1 F. Cooperation with federal and state agencies. The consortium, acting
 2 through its board, may cooperate with the government of the United States and may
 3 contribute financially to the expense of projects and initiatives as are or may be
 4 authorized or adopted by the United States. The consortium may also cooperate with
 5 all agencies, departments, and political subdivisions of the state of Louisiana in all
 6 undertakings, the purpose of which shall be the furtherance of the objects and
 7 purposes for which the consortium is created.
