DIGEST 2018 Regular Session

Mills

<u>Proposed law</u> requires certain health insurance issuers to notify enrollees that they are subject to an excess consumer cost burden when they are charged more for a prescription drug than their insurer pays or would pay after considering drug rebates from the drug manufacturer into the total cost of the drug.

<u>Proposed law</u> requires certain health insurance issuers to certify to the commissioner of insurance that they passed on to the consumer at least 50% of the rebates received from drug manufacturers. <u>Proposed law</u> provides that in making this certification all information given to the commissioner shall be confidential.

<u>Proposed law</u> provides for enforcement against a health insurance issuer's license for failure to comply with proposed law, or providing a false certification.

Effective August 1, 2018.
