
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Alan Miller.

SB 432 Engrossed DIGEST Chabert
2018 Regular Session

Present law requires the CPRA board to develop a coastal master plan when necessary, or at a minimum, every five years.

Proposed law changes the five year requirement to six years.

Proposed law provides that the 2017 master plan be effective through 2023.

Present law requires the CPRA board to include at least a three-year projection of funding of projects and programs in the annual plan.

Proposed law changes the three-year projection to a four-year projection.

Effective August 1, 2018.

(Amends R.S. 49:214.5.3(A))

Summary of Amendments Adopted by Senate

Committee Amendments Proposed by Senate Committee on Natural Resources to the original bill

1. Changes the four-year requirement for adoption of the master plan to a six-year requirement.
2. Makes the 2017 master plan effective through 2023.
3. Requires the CPRA board to include a four-year projection of funding of projects and programs in the annual plan rather than current three-year projection.
