HB 890 Reengrossed

2018 Regular Session

Hunter

Abstract: Authorizes an extension of the time period for which a person can apply for an administrative hearing.

Present law grants 30 days from the date of arrest for a violation of operating a vehicle while intoxicated for a person to make written request to the Dept. of Public Safety and Corrections for an administrative hearing in accordance with present law.

Proposed law provides an extension of this 30-day period for any person unable to make a timely request for an administrative hearing due to incarceration, hospitalization, or other acceptable cause to the department. Requires that the person requesting an administrative hearing submit documentation to the department that establishes the person's inability to timely request the administrative hearing provided in present law.

Proposed law requires any request for an administrative hearing pursuant to proposed law be submitted no later than 90 days from the date of arrest.

Proposed law requires the Dept. of Public Safety and Corrections to promulgate rules as are necessary for the implementation of proposed law.
