<b>Subject:</b> Charter Schools		

SCHOOLS OR NO IMPACT See Note Page 1 of 1  
Provides relative to virtual charter schools. (gov sig)

**Proposed law** defines virtual charter school as a public school, including a charter school, which delivers all or a majority of the instruction through the internet or other electronic medium. Does not preclude traditional classroom-based instruction and other related activities and events. Specifies that a school that delivers all or a majority of instruction through the internet or other electronic medium and requires students to be in daily attendance at a specified location shall not be considered a virtual school.

**EXPENDITURE EXPLANATION**

There is no anticipated impact to the expenditures of the minimum foundation program (MFP) due to establishing a definition of virtual charter school. The department of Education currently allocates only 90% of the MFP funding that would otherwise be distributed to virtual charter schools.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
