

RÉSUMÉ DIGEST

ACT 18 (SB 87)

2018 Regular Session

John Smith

Prior law permitted the commissioner of insurance to maintain public records using certain types of forms and methods.

Prior law permitted the commissioner to permit or require any rate, form or any other filings, along with any accompanying supplementary or supporting information to be filed electronically.

New law retains prior law and further permits the commissioner to permit or require the electronic filing of an application for any license or registration.

Effective August 1, 2018.
