DIGEST
2018 Regular Session

Perry

Present law prohibits an appointed member of any board or commission, member of his immediate family, or legal entity in which he has a substantial economic interest, from bidding on or entering into any contract, subcontract, or other transaction which is under the supervision or jurisdiction of an agency of the appointed member.

Proposed law provides that a licensed pharmacist who is a member of a board of commissioners for any hospital service district within a parish with a population of 125,000 or less may contract with the hospital over which the board exercises jurisdiction, and may subcontract with another provider who contracts with such hospital or pharmacy, or may own an interest in an entity that contracts with such hospital.

Proposed law further provides that a licensed pharmacist must recuse himself from participating in any transaction before the board relating to any contracts entered into by him, or by a provider with which he subcontracts, or by any entity in which he owns an interest.

Effective August 1, 2018.
