
SENATE COMMITTEE AMENDMENTS

2018 Regular Session

Amendments proposed by Senate Committee on Natural Resources to Engrossed House Bill No. 706 by Representative Zeringue

1 AMENDMENT NO. 1

2 On page 1, line 17, after "(B)," delete the remainder of the line and delete lines 18 through
3 20 and on page 2, delete lines 1 through 4 and insert the following:

4 "a fisherman who holds and is in possession of a valid recreational fishing
5 license and can demonstrate to the department's satisfaction use of a boat
6 launch located south of U.S. Highway 90 and that the fisherman has been
7 actively on the water or at a remote camp that can be accessed only by water
8 for two days or more may possess up to the possession limit of filleted red
9 drum, spotted sea trout, and Southern flounder. The filleted fish shall have
10 sufficient skin remaining on the fillet to allow for identification of the species
11 and shall be segregated by species into plastic bags or plastic containers that
12 are marked by species to allow easy identification, the date caught, and the
13 name and license number of the person who took the fish. The spotted sea
14 trout fillets shall be no less than ten inches in length and the red drum shall
15 be no less than fourteen inches in length. The fish shall only be in the
16 possession of the person who took the fish. However, no fisherman shall be
17 actively fishing or engaged in fishing while in possession of more than the
18 daily take limit."
