HB 602 Engrossed

2018 Regular Session

Miguez

Abstract: Provides relative to the carrying of a concealed handgun into any school, school campus, or school bus.

Present law provides for the issuance of a concealed handgun permit for a person who meets certain eligibility and training requirements.

Present law provides that a concealed handgun permit does not authorize nor entitle the permit holder to carry a concealed handgun in certain places, including into a school, school campus, or a school bus.

Proposed law repeals this present law exception relative to schools, school campuses, or school buses, but provides that if the concealed handgun permittee is a teacher, administrator, or employee of any school acting within the course and scope of his employment, or is a student of any school, the provisions of present and proposed law shall not be construed to authorize the teacher, administrator, employee, or student of the school to carry a concealed handgun into any school, school campus, or school bus unless specifically authorized to do so by law.

Further provides that nothing in proposed law limits the authority of a school to prohibit a person from carrying a firearm, or to regulate the carrying of a firearm, in certain venues or facilities of the school unless the person is otherwise authorized to do so by law.
