HCR 76 Original

2018 Regular Session

Dustin Miller

Creates a study committee to evaluate Louisiana's prevalence of tobacco-related illnesses resulting from secondhand smoke exposure and to require the committee to report findings and policy recommendations concerning secondhand smoke exposure to the legislature.

Requests that the study committee convenes on or before August 1, 2018.

Requests that on or before January 15, 2019, the study committee shall submit to the legislature a report of its progress and preliminary findings.

Requests that on or before March 8, 2019, the study committee shall submit to the legislature a final report comprising an evaluation of Louisiana's statewide and local smoke-free air policies and recommendations for addressing the existing policy gap created by Act No. 815 of the 2006 R.S.
