

SENATE RESOLUTION NO. 162

BY SENATORS JOHN SMITH, JOHNS AND MORRISH

A RESOLUTION

To express the sincere condolences of the Senate of the Legislature of Louisiana upon the death of Farid Bogani, chief engineering and construction officer for Cameron LNG, charged with leading the execution of that company's construction of their liquefaction project in Hackberry, Louisiana.

WHEREAS, Farid Bogani, aged sixty-two, was vice president of engineering and construction for Sempra LNG & Midstream in addition to his particular duties at Cameron LNG; and

WHEREAS, Mr. Bogani joined Sempra LNG & Midstream in 2013 specifically to assemble a team with world-class talent and capabilities in LNG liquefaction and lead the company's efforts in the execution of the Cameron LNG project in Louisiana; and

WHEREAS, Farid Bogani earned a bachelor's degree in chemical engineering from the University of Leeds in England, graduating with honors; and

WHEREAS, Mr. Bogani brought to the Cameron LNG project three decades of global experience in LNG project development and management, a background that made him a valued team member within Sempra LNG & Midstream and the Cameron LNG project, specifically; and

WHEREAS, Mr. Bogani was chosen to work on assignments in the Middle East, Australia, Africa, and the United States in a career that spanned multiple engineering and managerial assignments with various companies, including Woodside Energy, Ltd., Shell Gas and Power, Nigeria LNG, and Brunei LNG, Ltd.; and

WHEREAS, with numerous assignments around the globe, Mr. Bogani was always grounded by a family he dearly loved, his wife, Pat, and daughters Farah and Qaisara, who he leaves to treasure his memory and their life together; and

WHEREAS, Farid Bogani, using his considerable engineering and managerial expertise, left his mark on LNG projects around the world and was greatly respected in this sector focused on bringing the clean fuel of natural gas to populations on nearly all continents; and

WHEREAS, recognizing his commitment to excellence and his substantial contributions to the people in the state, specifically his management of the team tasked with the execution of the Cameron LNG liquefaction project in Hackberry, Louisiana, Farid Bogani and his valuable skills will be sorely missed in Louisiana.

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby express sincere condolences upon the death of Farid Bogani, vice president of engineering and construction for Sempra LNG & Midstream and chief engineering and construction officer for Cameron LNG in Hackberry, Louisiana.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to Mrs. Pat Bogani and her daughters, through Cameron LNG in Hackberry, Louisiana.

---

PRESIDENT OF THE SENATE
