SB 305 Engrossed

2018 Regular Session

Thompson

Proposed law authorizes the governing authority of a parish having a population in excess of 20,800 but not more than 22,000 persons based on the latest federal decennial census to appoint a physician who is an active member of the hospital medical staff of the district to the board of commissioners for a parish hospital service district.

Proposed law requires that the physician appointed shall be designated as the physician member of the board of commissioners.

Effective upon signature of the governor or lapse of time for gubernatorial action.
