

1 Board of Supervisors of Southern University and Agricultural and Mechanical College must  
2 seek and obtain the approval of the Board of Regents; and

3 WHEREAS, the Board of Regents has issued a moratorium on the consideration of  
4 proposed associate degree programs at four-year institutions; and

5 WHEREAS, one avenue for the establishment of such a program on the campus of  
6 SUBR, which is a four-year institution, is to provide this instruction through the Southern  
7 University College Connect Program; and

8 WHEREAS, under this model, students would be admitted to and enroll in Southern  
9 University at Shreveport (SUSLA), their home campus, but would receive instruction at  
10 SUBR, their host campus; and

11 WHEREAS, a PTEC program for SUSLA students offered in Baton Rouge through  
12 the Southern University College Connect Program would offer a rigorous study of various  
13 process technologies and would prepare students to work in this growing and high demand  
14 field; and

15 WHEREAS, in order to train students with the hands-on skills they need to enter the  
16 workforce and to satisfy the hiring demands of Louisiana industries in plants, refineries, and  
17 other industrial facilities, it is appropriate that an associate of applied science degree  
18 program in process technology be established at Southern University at Shreveport and  
19 provided at Southern University at Baton Rouge through the Southern University College  
20 Connect Program.

21 THEREFORE, BE IT RESOLVED that the House of Representatives of the  
22 Legislature of Louisiana does hereby urge and request the Board of Supervisors of Southern  
23 University and Agricultural and Mechanical College to submit a proposal to the Board of  
24 Regents for the approval of the establishment of an associate of applied science degree  
25 program in process technology for students enrolled in Southern University at Shreveport,  
26 which would be provided on the campus of Southern University at Baton Rouge through the  
27 Southern University College Connect Program.

28 BE IT FURTHER RESOLVED that a suitable copy of this Resolution be transmitted  
29 to the chairman of the Board of Supervisors of Southern University and Agricultural and  
30 Mechanical College.

HR 171 Original

2018 Regular Session

Jordan

Requests that the Southern University (SU) Bd. of Supervisors submit a proposal to the Bd. of Regents for the approval of an associate of applied science degree program in process technology for students enrolled in SU at Shreveport, which would be provided on the campus of SU at Baton Rouge through the SU College Connect Program.
