HCR 81 Engrossed

2018 Regular Session

Amedee

Requests the office of public health of the La. Department of Health to conduct a study concerning cost-effective means by which to facilitate emergency access to epinephrine at public places and to report findings to the legislative committees on health and welfare.

### Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Health and Welfare to the original bill:

1. Require that in addition to examining costs and benefits of facilitating emergency access to epinephrine at public places, the office of public health shall also examine and report on the following matters relating to epinephrine:
  - a. Appropriate dosages of epinephrine based upon different persons' age, weight, and other physiological characteristics.
  - b. The duration for which epinephrine auto-injectors can be stored.
