

SENATE SUMMARY OF HOUSE AMENDMENTS

SB 372

2018 Regular Session

Cortez

KEYWORD AND SUMMARY AS RETURNED TO THE SENATE

FLOOD PROTECTION AUTH. Provides for Rural Grant Opportunity Program in the Statewide Flood Control Program. (8/1/18)

SUMMARY OF HOUSE AMENDMENTS TO THE SENATE BILL

1. Expands from fewer than 25,000 to fewer than 50,000 the population for parishes in which a rural grant opportunity authority can be created.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

SB 372 Reengrossed

2018 Regular Session

Cortez

Present law provides for the Statewide Flood Control Program administered by the office of engineering in the Department of Transportation and Development. The program requires a local match of 10% of the cost of construction from an authority.

Proposed law creates the Rural Grant Opportunity Program to provide a mechanism for a municipality with fewer than 5,000 people or a parish with fewer than 50,000 people located in a rural area ("rural grant opportunity authority" or "authority") without financial ability to provide the local match requirement of the Statewide Flood Control Program to apply for funds.

Proposed law provides that funds for the Rural Grant Opportunity Program shall not exceed 25% of the annual capital outlay appropriation by the legislature for the Statewide Flood Control Program.

Proposed law requires an authority's application to meet the requirements of R.S. 38:90.4(A)(1) and also to include a resolution declaring its financial inability to meet a 10% local match and documentation to support its declaration.

Proposed law relieves an authority whose grant application is approved from satisfying the 10% local match.

Proposed law makes federal matching projects ineligible for funds under the Rural Grant Opportunity Program. Prohibits special districts from participating in the program.

Effective August 1, 2018.

(Amends R.S. 38:90.4(A)(1)(intro para) and 90.9; adds R.S. 38:90.1(12) and (13) and 90.4.1)

Thomas L. Tyler
Deputy Chief of Staff
