## DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

SB 317 Reengrossed

2018 Regular Session

Claitor

Present law provides for the La. Public Defender Board, which is comprised of 11 members, and provides procedures by which a member may be removed for excessive absences.

Present law provides that a member may be removed for excessive absences from meetings of the board. Present law defines "excessive absences" as missing four duly noticed meetings within a period of 18 months or three duly noticed meetings within a period of 10 months.

Proposed law changes present law to provide that the board, by a vote of 2/3 of the members, may expel a member who has accumulated three unexcused absences from board meetings during a 12-month period.

Present law provides that upon review of board member attendance, if a board member has been excessively absent from board meetings, the chairman is to inform the board of the absences and send written notice on behalf of the board to the member requesting that the member resign his position on the board. Present law further provides that if the member refuses to resign, the board is to remove the member for excessive absences in accordance with the provisions of present law.

Proposed law deletes present law.

Present law requires the board to send written notice to the member if that member is removed as provided by present law and requires the board to notify the appropriate appointing authority of the vacancy on the board.

Proposed law changes a "removed" member to an "expelled" member.

Effective upon signature of governor or lapse of time for gubernatorial action.
