2018 Regular Session

HOUSE BILL NO. 694

1

BY REPRESENTATIVE HENRY

2	To provide for the establishment and reestablishment of agency ancillary funds, to be
3	specifically known as internal service funds, auxiliary accounts, or enterprise funds
4	for certain state institutions, officials, and agencies; to provide for appropriation of
5	funds; and to regulate the administration of said funds.
6	Be it enacted by the Legislature of Louisiana:
7	Section 1. There are hereby appropriated the amounts shown below, which shall be
8	payable out of the state general fund, to the extent of funds deposited, unless otherwise
9	specified, for the establishment and reestablishment of agency ancillary funds which shall
10	be specifically known as internal service funds, auxiliary accounts, or enterprise funds. The
11	monies in each fund shall be used for working capital in the conduct of business enterprises
12	rendering public service, auxiliary service, and interagency service.
13	In the conduct of each such business, receipts shall be deposited in the state treasury
14	and disbursements made by the state treasurer to the extent of the amount deposited to the
15	credit of each ancillary fund, for the Fiscal Year 2018-2019. All funds appropriated herein
16	shall be expended in compliance with the public bid laws of the state.
17	Section 2.A. Except as otherwise provided by law or as herein otherwise provided,
18	any fund equity resulting from prior year operations shall be included as a resource of the
19	fund from which the ancillary fund is directly or indirectly derived.

AN ACT

B. Funds on deposit with the state treasury at the close of the fiscal year are authorized to be transferred to each fund respectively, as equity for Fiscal Year 2019-2020.

All unexpended cash balances as of June 30, 2019, shall be remitted to the state treasurer on or before August 14, 2019. If not reestablished in the subsequent year's Act, the agency must liquidate all assets and return all advances no later than August 14, 2019.

C. The program descriptions contained in this Act are not part of the law and are not enacted into law by virtue of their inclusion into this Act.

Section 3. All money from federal, interagency transfers, statutory dedications, or fees and self generated revenues shall be available for expenditure in the amounts herein appropriated.

Any increase in such revenues shall be available for allotment and expenditure by an agency on approval of an increase in the appropriation by the commissioner of administration and the Joint Legislative Committee on the Budget. Any increase in such revenues for an agency without an appropriation from the respective revenue source shall be incorporated into the agency's appropriation on approval of the commissioner of administration and the Joint Legislative Committee on the Budget.

Section 4.A. The figures in parentheses following the designation of a budget entity are the total authorized positions and authorized other charges positions for that entity, number of employees approved for each agency, as a result of the passage of this Act, may be increased by the commissioner of administration when sufficient documentation is presented and the request is deemed valid. However, any request which exceeds five positions shall be approved by the commissioner of administration and the Joint Legislative Committee on the Budget.

B. The budget request of any agency with an appropriation level of thirty million dollars or more shall include within its existing table of organization positions which perform the function of internal auditing, including the position of a chief audit executive. The chief audit executive shall be responsible for ensuring that the internal audit function adheres to the Institute of Internal Auditors, International Standards for the Professional Practice of Internal Auditing. The chief audit executive shall maintain organizational independence in accordance with these standards and shall have direct and unrestricted access to the commission, board, secretary, or equivalent head of the agency. The chief

audit executive shall certify to the commission, board, secretary, or equivalent head of the agency that the internal audit function conforms to the Institute of Internal Auditors, International Standards for the Professional Practice of Internal Auditing.

Section 5. All key and supporting performance objectives and indicators for the departments, agencies, programs, and budget units contained in the Governor's Executive Budget Supporting Document shall be adjusted by the commissioner of administration to reflect the funds appropriated therein. The commissioner of administration shall report on these adjustments to the Joint Legislative Committee on the Budget by August 15, 2018.

Section 6. The following definition is provided for the terms of this Act: "Working Capital" shall be considered the excess of current assets over current liabilities on an accrual basis.

Section 7. Should any section, subsection, clause, sentence, phrase, or part of the Act for any reason be held, deemed, or construed to be unconstitutional or invalid, such decisions shall not affect the remaining provisions of the Act, and the legislature hereby declares that it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part thereof, irrespective of the fact that one or more of the sections, subsections, clauses, sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the provisions of this Act are hereby declared severable.

Section 8. Internal Service Funds. These funds account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit, or to other governmental units, on a cost-reimbursement basis. Excess cash funds, excluding cash funds arising from working capital advances, shall be invested by the state treasurer with the interest proceeds there from credited to each account and shall not be transferred to the state general fund.

Section 9. In conjunction with the continuing assessment of the existing staff, assets, contracts, and facilities of each department, agency, program or budget unit's information technology resources and procurement resources, upon completion of this assessment and to the extent optimization of these resources will result in the projected cost savings through staff reductions, realization of operational efficiencies, cost avoidance, and elimination of asset duplication, the commissioner of administration is authorized to transfer the functions, positions, assets, and funds from any other department, agency, program, or budget units

1 related to these optimizations to a different department. The provisions of this Section shall

2 not apply to the Department of Culture, Recreation and Tourism, or any agency contained

3 in Schedule 04, Elected Officials, of the General Appropriation Act.
