DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

DIGEST

SB 76 Engrossed

2018 Regular Session

Boudreaux

Present law prohibits taking certain contraband into state-owned and administered hospitals.

Proposed law makes present law and proposed law applicable to all hospitals by removing "state-owned and administered".

Present law identifies one form of contraband prohibited in hospitals as narcotic or hypnotic drugs that create a hypnotic effect if taken internally. Proposed law modernizes this definition to include any controlled dangerous substance that has not been prescribed or recommended in accordance with the Uniform Controlled Dangerous Substances Law.

Present law identifies one form of contraband prohibited in hospitals as any firearm or other instrumentality customarily considered a dangerous weapon.

Proposed law provides that in order to be considered prohibited contraband the firearm or other instrumentality must be possessed by a person who is prohibited from possessing the firearm or instrumentality pursuant to state or federal law.

Effective August 1, 2018.
