SCHOOLS/BUS OPERATORS: Requires public school boards to notify certain school bus operators of route vacancies by mail

Synopsis of Senate Amendments

1. Remove the requirement that notification be via certified mail.

Digest of Bill as Finally Passed by Senate

Present law requires that for a new route or a route vacated by a previous operator the tenured school bus operator with the greatest seniority is given the first opportunity to change from driving his route to the vacant route before another operator is selected.

Proposed law requires city, parish, and other local public school boards to notify a senior bus operator of a vacant route by mail to his residence. Otherwise retains present law.
