

HOUSE SUMMARY OF SENATE AMENDMENTS**HB 895****2018 Regular Session****Norton**

CURRICULA: Provides for instruction on threats to school safety in public schools and public postsecondary education institutions

Synopsis of Senate Amendments

1. The Senate amendments modify the procedures for reporting a threat.

Digest of Bill as Finally Passed by Senate

Proposed law requires public schools and public postsecondary education institutions to offer information on recognizing and reporting potential threats to school safety that are posted on the internet. School and campus security officers or other persons deemed appropriate by the schools, in consultation with local law enforcement agencies, shall provide age and grade appropriate information for students in grades nine and above.

Proposed law requires school officials and campus security officers to address the following, at a minimum, in the information distributed:

- (1) The ability to detect potential online threats to school safety.
- (2) The reporting system at the school or campus.

Proposed law requires school officials and campus security officers to further report online content to local law enforcement agencies, when it is deemed potentially dangerous. If content poses immediate threat at a public school, school administrators shall follow procedures provided by present law regarding school crisis management.
