

2018 Second Extraordinary Session

HOUSE BILL NO. 26

BY REPRESENTATIVE LEGER

APPROPRIATIONS: Provides for the ordinary operating expenses of state government for Fiscal Year 2018-2019 (Item #2)

1 AN ACT

2 Making annual appropriations for Fiscal Year 2018-2019 for the ordinary expenses of the
3 executive branch of state government, pensions, public schools, public roads, public
4 charities, and state institutions and providing with respect to the expenditure of said
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the
9 Louisiana Constitution.

10 Section 2. All money from federal, interagency, statutory dedications, or self-generated
11 revenues shall be available for expenditure in the amounts herein appropriated. Any increase
12 in such revenues shall be available for allotment and expenditure by an agency on approval
13 of an increase in the appropriation by the commissioner of administration and the Joint
14 Legislative Committee on the Budget. Any increase in such revenues for an agency without
15 an appropriation from the respective revenue source shall be incorporated into the agency's
16 appropriation on approval of the commissioner of administration and the Joint Legislative
17 Committee on the Budget. In the event that these revenues should be less than the amount
18 appropriated, the appropriation shall be reduced accordingly. To the extent that such funds
19 were included in the budget on a matching basis with state funds, a corresponding decrease

1 in the state matching funds may be made. Any federal funds which are classified as disaster
2 or emergency may be expended prior to approval of a BA-7 by the Joint Legislative
3 Committee on the Budget upon the secretary's certifying to the governor that any delay
4 would be detrimental to the state. The Joint Legislative Committee on the Budget shall be
5 notified in writing of such declaration and shall meet to consider such action, but if it is
6 found by the committee that such funds were not needed for an emergency expenditure, such
7 approval may be withdrawn and any balance remaining shall not be expended.

8 Section 3.A. Notwithstanding any other law to the contrary, the functions of any
9 department, agency, program, or budget unit of the executive branch, except functions in
10 departments, agencies, programs, or budget units of other statewide elected officials, may
11 be transferred to a different department, agency, program, or budget unit for the purpose of
12 economizing the operations of state government by executive order of the governor.
13 Provided, however, that each such transfer must, prior to implementation, be approved by
14 the commissioner of administration and Joint Legislative Committee on the Budget. Further,
15 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,
16 Organization of the Executive Branch of State Government.

17 B. In the event that any agency, budget unit, program, or function of a department is
18 transferred to any other department, agency, program, or budget unit by other Act or Acts
19 of the legislature, the commissioner of administration shall make the necessary adjustments
20 to appropriations through the notification of appropriation process, or through approval of
21 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions
22 of the Act or Acts which provide for the transfers.

23 C. Notwithstanding any other law to the contrary and before the commissioner of
24 administration shall authorize the purchase of any luxury or full-size motor vehicle for
25 personal assignment by a statewide elected official other than the governor and lieutenant
26 governor, such official shall first submit the request to the Joint Legislative Committee on
27 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such
28 vehicles as defined or used in rules or guidelines promulgated and implemented by the
29 Division of Administration.

1 D. Notwithstanding any provision of law to the contrary, each agency which has
2 contracted with outside legal counsel for representation in an action against another agency,
3 shall submit a detailed report of all litigation costs incurred and payable to the outside
4 counsel to the commissioner of administration, the legislative committee charged with
5 oversight of that agency, and the Joint Legislative Committee on the Budget. The report
6 shall be submitted on a quarterly basis, each January, April, July, and October, and shall
7 include all litigation costs paid and payable during the prior quarter. For purposes of this
8 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the
9 agency and of the other party if the agency was required to pay such costs and fees. The
10 commissioner of administration shall not authorize any payments for any such contract until
11 such report for the prior quarter has been submitted.

12 E. Notwithstanding any provision of law to the contrary, each agency may use a portion
13 of its appropriations contained in this Act for the expenditure of funds for salaries and
14 related benefits for smoking cessation wellness programs, including pharmacotherapy and
15 behavioral counseling for state employees of the agency.

16 Section 4. Each schedule as designated by a five-digit number code for which an
17 appropriation is made in this Act is hereby declared to be a budget unit of the state.

18 Section 5.A. The program descriptions, account descriptions, general performance
19 information, and the role, scope, and mission statements of postsecondary education
20 institutions contained in this Act are not part of the law and are not enacted into law by
21 virtue of their inclusion in this Act.

22 B. All key and supporting performance objectives and indicators for the departments,
23 agencies, programs, and budget units contained in the Governor's Executive Budget
24 Supporting Document shall be adjusted by the commissioner of administration to reflect the
25 funds appropriated therein. The commissioner of administration shall report on these
26 adjustments to the Joint Legislative Committee on the Budget by August 15, 2018.

27 C. The discretionary and nondiscretionary allocations contained in this Act are provided
28 in accordance with R.S. 39:51(A)(3) and are to provide information to assist in legislative
29 decision making and shall not be construed to limit the expenditures or means of financing

1 of an agency, budget unit, or department to the discretionary or nondiscretionary amounts
2 contained in this Act.

3 D. The expenditure category allocations contained in this Act are provided in
4 accordance with R.S. 39:51(C) and are to provide information to assist in legislative decision
5 making and shall not be construed to limit the expenditures or means of financing of an
6 agency, budget unit, or department to the expenditure category amounts contained in this
7 Act.

8 E. The incentive programs, expenditures, and benefits contained in this Act are provided
9 in accordance with R.S. 39:51(A)(2) and are not included as, nor counted towards, the
10 operating expenses of the department, agency, or authority.

11 F. The prior year budget and positions contained in this Act are provided in accordance
12 with R.S. 39:51 and are to provide information to assist in legislative decision making and
13 shall not be construed as additional expenditures, means of financing, or positions of an
14 agency, budget unit, or department.

15 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between
16 departments or schedules receiving appropriations. However, any unencumbered funds
17 which accrue to an appropriation within a department or schedule of this Act due to policy,
18 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner
19 of administration and the Joint Legislative Committee on the Budget, be transferred to any
20 other appropriation within that same department or schedule. Each request for the transfer
21 of funds pursuant to this Section shall include full written justification. The commissioner
22 of administration, upon approval by the Joint Legislative Committee on the Budget, shall
23 have the authority to transfer between departments funds associated with lease agreements
24 between the state and the Office Facilities Corporation. The commissioner of administration
25 shall, in accordance with R.S. 15:827.3, transfer between departments or schedules of this
26 Act any unencumbered funds which accrue to an appropriation due to the prior year savings
27 achieved as a result of legislation relative to the criminal justice system enacted in the 2017
28 Regular Session of the Legislature.

29 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,
30 and facilities of each department, agency, program or budget unit's information technology

1 resources and procurement resources, upon completion of this assessment and to the extent
2 optimization of these resources will result in the projected cost savings through staff
3 reductions, realization of operational efficiencies, cost avoidance, and elimination of asset
4 duplication, the commissioner of administration is authorized to transfer the functions,
5 positions, assets, and funds from any other department, agency, program, or budget units
6 related to these optimizations to a different department. The provisions of this Subsection
7 shall not apply to the Department of Culture, Recreation and Tourism, or any agency
8 contained in Schedule 04, Elected Officials, of this Act.

9 C. The commissioner of administration shall review all existing leases for office and
10 warehouse space and compare the rent per square foot of such space to the market rent of
11 similar space in the same market. The commissioner of administration is authorized and
12 directed to renegotiate all leases that are in excess of the market rent to bring the rent in line
13 with the market rent. The commissioner of administration, upon approval of the Joint
14 Legislative Committee on the Budget, shall have the authority to transfer between
15 departments funds from any savings from renegotiated leases.

16 Section 7. The state treasurer is hereby authorized and directed to use any available
17 funds on deposit in the state treasury to complete the payment of General Fund
18 appropriations for the Fiscal Year 2018-2019. In order to conform to the provisions of P.L.
19 101-453, the Cash Management Improvement Act of 1990, and in accordance with the
20 agreement executed between the state and Financial Management Services, a division of the
21 U.S. Treasury, the state treasurer is hereby authorized to release checks drawn on federally
22 funded appropriations prior to the receipt of funds from the U.S. Treasury.

23 Section 8.A.(1) The figures in parentheses following the designation of a program are
24 the total authorized positions and authorized other charges positions for that program. If
25 there are no figures following a department, agency, or program, the commissioner of
26 administration shall have the authority to set the number of positions.

27 (2) The commissioner of administration, upon approval of the Joint Legislative
28 Committee on the Budget, shall have the authority to transfer positions between departments,
29 agencies, or programs or to increase or decrease positions and associated funding necessary
30 to effectuate such transfers.

1 (3) The number of authorized positions and authorized other charges positions approved
2 for each department, agency, or program as a result of the passage of this Act may be
3 increased by the commissioner of administration in conjunction with the transfer of
4 functions or funds to that department, agency, or program when sufficient documentation
5 is presented and the request deemed valid.

6 (4) The number of authorized positions and authorized other charges positions approved
7 in this Act for each department, agency, or program may also be increased by the
8 commissioner of administration when sufficient documentation of other necessary
9 adjustments is presented and the request is deemed valid. The total number of such positions
10 so approved by the commissioner of administration may not be increased in excess of three
11 hundred fifty. However, any request which reflects an annual aggregate increase in excess
12 of twenty-five positions for any department, agency, or program must also be approved by
13 the Joint Legislative Committee on the Budget.

14 B. Orders from the Civil Service Commission or its designated referee which direct an
15 agency to pay attorney fees for a successful appeal by an employee may be paid out of an
16 agency's appropriation from the expenditure category professional services; provided,
17 however, that an individual expenditure pursuant to this Subsection may not exceed \$1,500
18 in accordance with Civil Service Rule 13.35(a).

19 C. The budget request of any agency with an appropriation level of thirty million dollars
20 or more shall include, within its existing table of organization, positions which perform the
21 function of internal auditing, including the position of a chief audit executive. The chief
22 audit executive shall be responsible for ensuring that the internal audit function adheres to
23 the Institute of Internal Auditors, International Standards for the Professional Practice of
24 Internal Auditing. The chief audit executive shall maintain organizational independence in
25 accordance with these standards and shall have direct and unrestricted access to the
26 commission, board, secretary, or equivalent head of the agency. The chief audit executive
27 shall certify to the commission, board, secretary, or equivalent head of the agency that the
28 internal audit function conforms to the Institute of Internal Auditors, International Standards
29 for the Professional Practice of Internal Auditing.

1 D. In the event that any cost assessment allocation proposed by the Office of Group
2 Benefits becomes effective during Fiscal Year 2018-2019, each budget unit contained in this
3 Act shall pay out of its appropriation an amount no less than 75% of total premiums for all
4 active employees and those retirees with Medicare in accordance with R.S. 42:851(D)(1) for
5 the state basic health insurance indemnity program.

6 E. In the event that any cost allocation or increase recommended by the Public
7 Retirement Systems' Actuarial Committee through adoption of a valuation submitted to the
8 Joint Legislative Committee on the Budget and the House and Senate committees on
9 retirement becomes effective before or during Fiscal Year 2018-2019, each budget unit shall
10 pay out of its appropriation funds necessary to satisfy the requirements of such increase.

11 Section 9. In the event the governor shall veto any line item expenditure and such veto
12 shall be upheld by the legislature, the commissioner of administration shall withhold from
13 the department's, agency's, or program's funds an amount equal to the veto. The
14 commissioner of administration shall determine how much of such withholdings shall be
15 from the state General Fund.

16 Section 10.A. Pursuant to Article IV, Section 5(G)(2) and Article VII, Section 10(F) of
17 the Louisiana constitution, if at any time during Fiscal Year 2018-2019 the official budget
18 status report indicates that appropriations will exceed the official revenue forecast, the
19 governor shall have full power to reduce appropriations in accordance with R.S. 39:75. The
20 governor shall have the authority to make adjustments to other means of financing and
21 positions necessary to balance the budget as authorized by R.S. 39:75(C).

22 B. The governor shall have the authority within any month of the fiscal year to direct
23 the commissioner of administration to disapprove warrants drawn upon the state treasury for
24 appropriations contained in this Act which are in excess of amounts approved by the
25 governor in accordance with R.S. 39:74.

26 C. The governor may also, and in addition to the other powers set forth herein, issue
27 executive orders in a combination of any of the foregoing means for the purpose of
28 preventing the occurrence of a deficit.

29 Section 11. Notwithstanding the provisions of Section 2 of this Act, the commissioner
30 of administration shall make such technical adjustments as are necessary in the interagency

1 transfers means of financing and expenditure categories of the appropriations in this Act to
2 result in a balance between each transfer of funds from one budget unit to another budget
3 unit in this Act. Such adjustments shall be strictly limited to those necessary to achieve this
4 balance and shall in no way have the effect of changing the intended level of funding for a
5 program or budget unit of this Act.

6 Section 12.A. For the purpose of paying appropriations made herein, all revenues due
7 the state in Fiscal Year 2018-2019 shall be credited by the collecting agency to Fiscal Year
8 2018-2019 provided such revenues are received in time to liquidate obligations incurred
9 during Fiscal Year 2018-2019.

10 B. A state board or commission shall have the authority to expend only those funds that
11 are appropriated in this Act, except those boards or commissions which are solely supported
12 from private donations or which function as port commissions, levee boards or professional
13 and trade organizations.

14 Section 13.A. Notwithstanding any other law to the contrary, including any provision
15 of any appropriation act or any capital outlay act, no constitutional requirement or special
16 appropriation enacted at any session of the legislature, except the specific appropriations acts
17 for the payment of judgments against the state, of legal expenses, and of back supplemental
18 pay, the appropriation act for the expenses of the Department of Justice, the appropriation
19 act for the expenses of the judiciary, and the appropriation act for expenses of the legislature,
20 its committees, and any other items listed therein, shall have preference and priority over any
21 of the items in the General Appropriation Act or the Capital Outlay Act for any fiscal year.

22 B. In the event that more than one appropriation is made in this Act which is payable
23 from any specific statutory dedication, such appropriations shall be allocated and distributed
24 by the state treasurer in accordance with the order of priority specified or provided in the law
25 establishing such statutory dedication and if there is no such order of priority such
26 appropriations shall be allocated and distributed as otherwise provided by any provision of
27 law including this or any other act of the legislature appropriating funds from the state
28 treasury.

29 C. In accordance with R.S. 49:314(B)(1) and (2) appropriations from the Transportation
30 Trust Fund in the General Appropriation Act and the Capital Outlay Act shall have equal
31 priority. In the event revenues being received in the state treasury and being credited to the

1 fund which is the source of payment of any appropriation in such acts are insufficient to fully
2 fund the appropriations made from such fund source, the treasurer shall allocate money for
3 the payment of warrants drawn on such appropriations against such fund source during the
4 fiscal year on the basis of the ratio which the amount of such appropriation bears to the total
5 amount of appropriations from such fund source contained in both acts.

6 Section 14. Pay raises or supplements provided for by this Act shall in no way supplant
7 any local or parish salaries or salary supplements to which the personnel affected would be
8 ordinarily entitled.

9 Section 15. Any unexpended or unencumbered reward monies received by any state
10 agency during prior fiscal years pursuant to the Exceptional Performance and Efficiency
11 Incentive Program may be carried forward for expenditure in Fiscal Year 2018-2019, in
12 accordance with the respective resolution granting the reward. The commissioner of
13 administration shall implement any internal budgetary adjustments necessary to effectuate
14 incorporation of these monies into the respective agencies' budgets for Fiscal Year 2018-
15 2019, and shall provide a summary list of all such adjustments to the Joint Legislative
16 Committee on the Budget by August 31.

17 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act
18 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions
19 shall not affect the remaining provisions of the Act, and the legislature hereby declares that
20 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part
21 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,
22 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the
23 provisions of this Act are hereby declared severable.

24 Section 17.A. All BA-7 budget transactions, including relevant changes to performance
25 information, submitted in accordance with this Act or any other provisions of law which
26 require approval by the Joint Legislative Committee on the Budget or joint approval by the
27 commissioner of administration and the Joint Legislative Committee on the Budget shall be
28 submitted to the commissioner of administration, Joint Legislative Committee on the
29 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to
30 consideration by the Joint Legislative Committee on the Budget. Each submission must
31 include full justification of the transaction requested, but submission in accordance with this

1 deadline shall not be the sole determinant of whether the item is actually placed on the
2 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not
3 submitted in accordance with the provisions of this Section shall be considered by the
4 commissioner of administration and Joint Legislative Committee on the Budget only when
5 extreme circumstances requiring immediate action exist.

6 B. Notwithstanding any contrary provision of this Act or any contrary provision of law,
7 no funds appropriated by this Act shall be released or provided to any recipient of an
8 appropriation made in this Act if, when, and for as long as, the recipient fails or refuses to
9 comply with the provisions of R.S. 24:513. No recipient shall be considered to fail or refuse
10 to comply with the provisions of R.S. 24:513 pursuant to this Section during any extension
11 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The
12 legislative auditor may grant a recipient, for good cause shown, an extension of time to
13 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may
14 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient
15 entities of an appropriation contained in this Act with recommendation by the legislative
16 auditor pursuant to R.S. 39:72.1.

17 Section 18.A. Except for the conditions set forth in Subsection B of this Section, the
18 following sums or so much thereof as may be necessary are hereby appropriated out of any
19 monies in the state treasury from the sources specified; from federal funds payable to the
20 state by the United States Treasury; or from funds belonging to the State of Louisiana and/or
21 collected by boards, commissions, departments, and agencies thereof, for purposes specified
22 herein for the year commencing July 1, 2018, and ending June 30, 2019. Funds appropriated
23 to auxiliary accounts herein shall be from prior and current year collections, with the
24 exception of state General Fund (Direct). The commissioner of administration is hereby
25 authorized and directed to correct the means of financing and expenditures for any
26 appropriation contained in Schedule 20-901 Sales Tax Dedications to reflect the enactment
27 of any law enacted in any 2018 session of the Legislature which affects any such means of
28 financing or expenditure. Further provided with regard to auxiliary funds, that excess cash
29 funds, excluding cash funds arising from working capital advances, shall be invested by the
30 state treasurer with the interest proceeds therefrom credited to each account and not

1 transferred to the state General Fund. This Act shall be subject to all conditions set forth in
2 Title 39 of the Louisiana Revised Statutes of 1950 as amended.

3 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public
4 agency or entity which is not a budget unit of the state unless the intended recipient of those
5 funds submits, for approval, a comprehensive budget to the legislative auditor and the
6 transferring agency showing all anticipated uses of the appropriation, an estimate of the
7 duration of the project, and a plan showing specific goals and objectives for the use of such
8 funds, including measures of performance. In addition, and prior to making such
9 expenditure, the transferring agency shall require each recipient to agree in writing to
10 provide written reports to the transferring agency at least every six months concerning the
11 use of the funds and the specific goals and objectives for the use of the funds. In the event
12 the transferring agency determines that the recipient failed to use the funds set forth in its
13 budget within the estimated duration of the project or failed to reasonably achieve its
14 specific goals and objectives for the use of the funds, the transferring agency shall demand
15 that any unexpended funds be returned to the state treasury unless approval to retain the
16 funds is obtained from the division of administration and the Joint Legislative Committee
17 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the
18 amount of the public funds received by the provider is below the amount for which an audit
19 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of
20 the funds to ensure effective achievement of the goals and objectives. The transferring
21 agency shall forward to the legislative auditor, the division of administration, and the Joint
22 Legislative Committee on the Budget a report showing specific data regarding compliance
23 with this Section and collection of any unexpended funds. This report shall be submitted no
24 later than May 1, 2019.

25 (2) Transfers to public or quasi-public agencies or entities that have submitted a budget
26 request to the division of administration in accordance with Part II of Chapter 1 of Subtitle
27 1 of Title 39 of the Louisiana Revised Statutes of 1950 and transfers authorized by specific
28 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of
29 Louisiana to local governing authorities shall be exempt from the provisions of this
30 Subsection.

1 (3) Notwithstanding any other provision of law or this Act to the contrary, if the name
 2 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,
 3 the state treasurer may pay the funds appropriated to the entity without obtaining the
 4 approval of the Joint Legislative Committee on the Budget, but only after the entity has
 5 provided proof of its correct legal name to the state treasurer and transmitted a copy to the
 6 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

7 C. The Louisiana Department of Health shall continue to provide for immunizations in
 8 those parish health units which receive any funding from local governmental sources.

9 D. All departments containing appropriations out of means of financing designated as
 10 coming from prior and current year collections shall report all prior year balances to the Joint
 11 Legislative Committee on the Budget at its first meeting held after October 15, 2018.

SCHEDULE 09

LOUISIANA DEPARTMENT OF HEALTH

For Fiscal Year 2018-2019, cash generated by each budget unit within Schedule 09 may be pooled with any other budget unit within Schedule 09 to avoid a cash deficit. No budget unit may expend more revenues than are appropriated to it in this Act except upon the approval of the Division of Administration and the Joint Legislative Committee on the Budget, or as may otherwise be provided for by law.

Notwithstanding any provision of law to the contrary, the department shall purchase medical services for consumers in the most cost effective manner. The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law.

Beginning on October 1, 2018, and monthly thereafter, the department shall submit a report detailing the programmatic allocations of the total appropriated for Schedule 09-306 Medical Vendor Payments in this Act to the Joint Legislative Committee on the Budget for its review. The first report shall include a detailed itemization of the actual means of financing and expenditures for Medical Vendor Payments in Fiscal Year 2017-2018 and the initial allocation of payments for Fiscal Year 2018-2019 to provider groups, state agencies, or managed care programs within each of the four programs: Payments to Private Providers; Payments to Public Providers; Medicare Buy-Ins and Supplements; and Uncompensated Care Costs. The first report shall also include, for both the prior and current fiscal year, an itemization of supplemental payments and uncompensated care costs payments to the LSU Public Private Partnership hospitals. The second report, and each subsequent report thereafter, shall itemize the projected expenditures in Fiscal Year 2018-2019 for each allocation within the four programs and payments to the public private partnership hospital as presented in the first report of the fiscal year. Also, the reports shall include a section specifying the total amount of pharmacy rebates received year-to-date and the total amount projected to be received by the end of the fiscal year. Further, the department shall include a section in each report detailing the anticipated levels of revenue collections in Medical Vendor Payments by source and, in the event a deficit is projected, any other sources of revenues that may be available or adjustments in expenditures that could be implemented within the department to aid in alleviating the projected deficit. Finally, the department may vary the forecasting methodologies utilized to produce the reports as necessary to ensure the submission of the most accurate projections of revenues and expenditures as practical.

Notwithstanding any law to the contrary and specifically R.S. 39:82(E), for Fiscal Year 2018-2019 any over-collected funds, including interagency transfers, fees and self-generated revenues, federal funds, and surplus statutory dedicated funds generated and collected by any agency in Schedule 09 for Fiscal Year 2017-2018 may be carried forward and expended in Fiscal Year 2018-2019 in the Medical Vendor Program. Revenues from refunds and recoveries in the Medical Vendor Program are authorized to be expended in Fiscal Year 2018-2019. No such carried forward funds, which are in excess of those appropriated in this Act, may be expended without the express approval of the Division of Administration and the Joint Legislative Committee on the Budget.

Notwithstanding any law to the contrary, the secretary of the Louisiana Department of Health may transfer, with the approval of the commissioner of administration via midyear budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and associated personal services funding if necessary from one budget unit to any other budget unit and/or between programs within any budget unit within this schedule. Not more than an aggregate of one-hundred (100) positions and associated personal services may be transferred between budget units and/or programs within a budget unit without the approval of the Joint Legislative Committee on the Budget.

1 Notwithstanding any provision of law to the contrary, the secretary of the Louisiana
 2 Department of Health is authorized to transfer, with the approval of the commissioner of
 3 administration through midyear budget adjustments, funds and authorized positions from one
 4 budget unit to any other budget unit and/or between programs within any budget unit within
 5 this schedule. Such transfers shall be made solely to provide for the effective delivery of
 6 services by the department, promote efficiencies and enhance the cost effective delivery of
 7 services. Not more than six million dollars may be transferred pursuant to this authority. The
 8 secretary and the commissioner shall promptly notify the Joint Legislative Committee on the
 9 Budget of any such transfer.

10 Notwithstanding any provision of law to the contrary, the department shall not be under any
 11 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may
 12 utilize other revenue sources to provide these services. Provided, further, that any additional
 13 funding for state plan personal assistance services may be used as state match for available
 14 federal funds.

15 The Louisiana Department of Health shall not reduce reimbursement rates for providers
 16 rendering applied behavioral analysis services, including any rates agreed upon in any
 17 contractual agreement with a managed care organization, as defined in 42 CFR 483.2, that
 18 transfers the provision of applied behavioral analysis services to a managed care
 19 organization.

6 Expenditure Controls:

7 Provided, however, that the Louisiana Department of Health may, to control expenditures
 8 to the level appropriated herein for the Medical Vendor Payments program, negotiate
 9 supplemental rebates for the Medicaid pharmacy program in conjunction with the preferred
 10 drug list. In these negotiations, the preferred drug list may be adjusted to limit brand name
 11 drug products in each therapeutic category while ensuring appropriate access to medically
 12 necessary medication.

13 Provided, however, that the Louisiana Department of Health shall continue with the
 14 implementation of cost containment strategies to control the cost of the New Opportunities
 15 Waiver (NOW) in order that the continued provision of community-based services for
 16 citizens with developmental disabilities is not jeopardized.

17 Provided, however, that the Louisiana Department of Health shall authorize expenditure of
 18 funds for additional Rural Health Clinics and Federally Qualified Health Centers only in
 19 those areas which the department determines have a demonstrated need for clinics.

20 Provided, however, that the Louisiana Department of Health shall only make Title XIX
 21 payments to public private partners in accordance with its initial budget allocation after
 22 appropriation by this body.

23 Public provider participation in financing:

24 The Louisiana Department of Health hereinafter the "department", shall only make Title XIX
 25 (Medicaid) claim payments to non-state public hospitals, that certify matching funds for their
 26 Title XIX claim payments and provide certification of incurred uncompensated care costs
 27 (UCC) that qualify for public expenditures which are eligible for federal financial
 28 participation under Title XIX of the Social Security Act to the department. The certification
 29 for Title XIX claims payment match and the certification of UCC shall be in a form
 30 satisfactory to the department and provided to the department no later than October 1, 2018.
 31 Non-state public hospitals, that fail to make such certifications by October 1, 2018, may not
 32 receive Title XIX claim payments or any UCC payments until the department receives the
 33 required certifications. The Department may exclude certain non-state public hospitals from
 34 this requirement in order to implement alternative supplemental payment initiatives or
 35 alternate funding initiatives, or if a hospital that is solely owned by a city or town has
 36 changed its designation from a non-profit private hospital to a non-state public hospital
 37 between January 1, 2010 and June 30, 2014.

38 In order for a hospital to receive any Medicaid payments in addition to inpatient and
 39 outpatient claims payments, the hospital must provide to the department, claim level data for
 40 Title XIX, XXI, and uninsured clients as specified by the department.
