

RÉSUMÉ DIGEST

HR 110

2018 Regular Session

James

Memorializes congress to pass legislation that supports efforts to build, modernize, and maintain the United States' infrastructure with consideration of the following principles:

- (1) Redefining infrastructure.
- (2) Committing to fund job training and workforce development.
- (3) Empowering minority contractors.
- (4) Promoting inclusiveness.
- (5) Building for resilience.
- (6) Multi-modal transportation planning.
- (7) Future-proofing.
