

RÉSUMÉ DIGEST

HCR 100

2018 Regular Session

Jordan

Requests that the La. State Law Institute review La. laws regarding bail and study whether a system which provides for the presumed release of a person on unsecured personal surety or bail without surety in lieu of a preset bail schedule would be more successful in ensuring the appearance of the defendant and the public safety of the community. Requires the La. State Law Institute to report its findings no later than Feb. 1, 2019.
