

RÉSUMÉ DIGEST

ACT 330 (HB 616)

2018 Regular Session

Hilferty

Prior law provided various specific prohibitions, limitations, and nutritional guidelines regarding food and beverages sold at schools other than as part of the school meal program. New law repeals prior law.

New law requires public elementary and secondary schools to follow federal guidelines with respect to foods and beverages, other than meals, sold to students at schools and on school grounds during a period beginning one-half hour before the start of the school day and ending one-half hour after the end of the school day.

Effective August 1, 2018.
