

## RÉSUMÉ DIGEST

**ACT 165 (HB 425)**

**2018 Regular Session**

**Zeringue**

Existing law requires the Dept. of Wildlife and Fisheries to certify a commercial fisherman's license upon receipt of a notarized statement stating that the fisherman earns at least 50% of his income from commercial fishing activities. Requires the Dept. of Wildlife and Fisheries to maintain a list of those commercial fishermen with certified licenses.

New law adds charter boat guides to existing law and includes them in the certification program.

Effective May 15, 2018.
