

RÉSUMÉ DIGEST

ACT 10 (HB 330)

2018 Regular Session

Jordan

Prior law required each registered insurance producer or bail bond producer prelicensing program to provide instruction by a qualified instructor in a structured setting or by verifiable approved self-study with a minimum of 20 hours of supervised instruction or self-study, including instruction in applicable insurance principles, state laws and regulations, and ethical practices, for each of the following lines of authority a license is sought: life, health and accident, property, casualty, and personal lines.

New law retains prior law but narrows the applicability by adding an exemption for bail bond producer prelicensing programs.

Effective August 1, 2018.
