**Henry**

Proposed law would have prohibited the monies in the Conservation Fund from being used for building acquisition without prior approval of the Joint Legislative Committee on the Budget.

(Proposed to amend R.S. 56:10(B)(2))

**VETO MESSAGE:** "Please be advised that I have vetoed House Bills 229, 321, and 345 of the 2018 Regular Session.

These three bills all improperly interfere with the operations of the executive branch and violate Art. II, Sec. 2 of the Louisiana Constitution. Further, these bills are simply unnecessary and are attempting remedy problems that occurred under the previous administration. Upon taking office, I instructed the Division of Administration and all other executive branch agencies to be transparent in their operations and to cooperate fully with legislative requests for information about their operations."
