DIGEST

SB 59 Reengrossed

2019 Regular Session

Long

Present law allows a credit against individual income tax for physicians, dentists, and primary care nurse practitioners who establish and maintain their primary office in a primary care high needs geographic health professional shortage area that is in a rural area.

Present law provides that primary care high needs geographic health professional shortage areas are designated by the U.S. Dept. of Health and Human Services.

Present law provides that "rural area" shall be defined in rules promulgated by the Dept. of Health.

Proposed law retains present law but adds primary care physician assistants licensed by the state to the group of medical professional eligible to receive the individual income tax credit.

Effective August 1, 2019.

(Amends R.S. 47:297(H)(2)(a) and (b) and (3))
