EXPENDITURE EXPLANATION

Proposed law will result in an indeterminable net increase in SGF expenditures including an expenditure reduction for the Department of Public Safety and Corrections Services (DOC) and an expenditure increase for the Department of Public Safety and Corrections - Office of Juvenile Justice (OJJ) - see details below. Proposed law increases the threshold of juvenile status for certain offenses to those under eighteen years of age instead of those under seventeen.

Proposed law will result in a SGF expenditure decrease to DOC as a result of changes to specific parts of the law raising the age for juvenile applicability from seventeen to eighteen for cyberbullying, online impersonation, retaliation by a minor against a parent or legal custodian, and illegal possession of a handgun by a juvenile.

Proposed law will result in a SGF expenditure increase to OJJ as a result of specific parts of the law that raises the age from seventeen to eighteen for cyberbullying, online impersonation, retaliation by a minor against a parent or legal custodian, and illegal possession of a handgun by a juvenile.

Currently, there are no offenders serving time for cyberbullying, online impersonation or retaliation by a minor against a parent, legal custodian, witness, or complainant. There are currently, five (5) offenders with an average age of 17.1 years that have been convicted of illegal possession of a handgun. There were five (5) admissions in 2018 with an average sentence length imposed of 5.3 years. Assuming the average number of admissions and age of an offender convicted of illegal possession of a handgun by a juvenile remains the same, the state will realize a net increase to house the offender in OJJ. OJJ reports the average daily cost to house a youth statewide is \$156.62. The average daily rate to house an offender in an adult state facility is \$60.09. The proposed law would result in a net daily increase of \$96.53.

\$156.62	Statewide Average Daily Cost to House a Youth at OJJ
- 60.09	DOC average daily cost to house an offender in a state facility
<u>\$ 96.53</u>	Approximate average daily cost increase
