DIGEST

SB 25 Engrossed

2019 Regular Session

Ward

Present law requires the sheriff of each parish to pay insurance premiums for certain coverage on the sheriff and sheriff deputies and permits similar coverage for dependents of the sheriff and dependents of sheriff deputies. Authorizes the sheriff to contract with any insurance company authorized to do business in Louisiana to provide group life and accidental death and dismemberment, group health, accident, dental, hospital, surgical, or other medical expense and group disability insurance on the sheriff's office employees and their dependents; also allows a sheriff to secure such coverage through the Sheriff's Association Self-Insurance Plan.

Present law requires that any policy or self-insurance plan providing group hospital, surgical, medical expense or life insurance contracted for shall contain a provision authorizing any covered employee retiring under his sheriff's department retirement plan to elect to continue such coverage upon retirement. Further provides that the premium cost of such coverage may be paid in full or in part from the sheriff's general funds or by the retired employee, and that a uniform policy with respect to the payment of such premiums shall be formulated and applied by each sheriff.

Present law provides that, notwithstanding present law, the sheriff of certain parishes, including Pointe Coupee, pay in full from the sheriff's general fund the premium costs of group hospital, surgical, medical expense, and dental insurance and the first \$10,000 of life insurance contracted for under present law for any sheriff or deputy sheriff of their respective office who retires with:

- (1) At least 15 years of service and is at least 55 years of age; or
- (2) At least 30 years of service.

Proposed law retains present law for the sheriffs and deputy sheriffs of the Pointe Coupee Parish Sheriff's Office that were hired before July 1, 2019.

Proposed law provides that, in the parish of Pointe Coupee, for sheriffs and deputy sheriffs who were hired on or after July 1, 2019, the sheriff shall pay in full from the sheriff's general fund the premium costs of group hospital, surgical, medical expense, and dental insurance and the first \$10,000 of life insurance contracted for under present law for any sheriff or full-time deputy sheriff who retires directly from active service with the Pointe Coupee Parish Sheriff's Office and who:

- (1) Is entitled to receive benefits from the Sheriff's Pension and Relief Fund; and
- (2) Has at least 15 years of full-time service with the Pointe Coupee Parish Sheriff's Office; and
- (3) Is at least 55 years of age.

Effective July 1, 2019.
