

1 WHEREAS, when treating unconscious patients believed to be victims of sexual
2 assault, forensic examiners are faced with the choice between conducting an examination
3 on a patient who cannot legally consent or losing potential evidence before the patient
4 regains the ability to consent: and

5 WHEREAS, existing law on informed consent in Louisiana does not explicitly state
6 whether a forensic medical examination is included.

7 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
8 urge and request the Louisiana Department of Health (department), in collaboration with the
9 Louisiana Sexual Assault Oversight Commission (commission), to study the investigation,
10 treatment, and evaluation of victims of sexual assault, specifically forensic examinations,
11 and to develop guidelines for the 2020 Regular Session of the Louisiana Legislature.

12 BE IT FURTHER RESOLVED that the department, in collaboration with the
13 commission, shall develop recommendations on any policy changes, which shall be
14 submitted to the House Committee on Health and Welfare and the Senate Committee on
15 Health and Welfare not later than sixty days prior to the convening of the 2020 Regular
16 Session of the Louisiana Legislature.

17 BE IT FURTHER RESOLVED that the department, in collaboration with the
18 commission, shall study and consider guidelines that address:

19 (1) The application of forensic medical exams and additional forensic services to all
20 alleged sex crime victims who apply for forensic medical exams and additional forensic
21 services in relation to injuries or trauma resulting from the alleged sex crime.

22 (2) That the provision of services may not be dependent on a victim's reporting to,
23 or cooperating with, law enforcement.

24 (3) What crimes are considered sex crimes.

25 (4) The care and services sexual assault patients should receive.

26 (5) The consent required for forensic medical exams and additional forensic services.

27 (6) The requirements to consent for such examinations and the appropriateness of
28 implied consent in situations of unconsciousness or other mental incapacity and inability to
29 give consent.

1 (7) The choice that patients may decline evidentiary exam care without effect to other
2 care and treatment provided.

3 (8) Which providers may conduct a forensic medical examination without the
4 consent of the person who is the subject of the examination, or the consent of another person
5 authorized to give consent when certain conditions are met.

6 BE IT FURTHER RESOLVED that the department, in collaboration with the
7 commission, develop guidelines for the care and treatment of patients under the age of
8 majority reporting for post-sexual assault that address the following:

9 (1) Special protocols necessary to treat adolescent patients such as notifying the
10 Department of Children and Family Services when a patient is under the age of majority as
11 mandated by law.

12 (2) The appropriate procedures for care of patients under the age of majority.

13 (3) The duties of a provider including but not limited to:

14 (a) Requiring the victim to sign a form that notifies the victim of his or her rights.

15 (b) Providing a copy of the signed form to the victim.

16 (c) Informing law enforcement that a sample is available.

17 BE IT FURTHER RESOLVED that such guidelines discuss issues surrounding the
18 collection of evidence, including but not limited to:

19 (1) Specimen collection.

20 (2) Evidence exam.

21 (3) Sealing evidence.

22 (4) Evidence collection kit.

23 (5) Storage of evidence and chain of custody.

24 (6) Documentation.

25 (7) Medications.

26 (8) Patient release.

27 BE IT FURTHER RESOLVED that such guidelines discuss the duty of law
28 enforcement to transport a sample to secured storage and the time frame of such; the
29 circumstances under which such evidence may be destroyed; and any notice required to
30 inform the victim that such evidence may be destroyed.

1 BE IT FURTHER RESOLVED that such guidelines discuss the payment or
2 reimbursement of forensic medical exams and the conditions that must be met in order to
3 receive such reimbursement.

4 BE IT FURTHER RESOLVED that such guidelines discuss what services, if any,
5 will be provided without charge.

6 BE IT FURTHER RESOLVED that such guidelines identify stakeholders needed to
7 assist in the development and operation of forensic services.

8 BE IT FURTHER RESOLVED that such guidelines discuss the necessity of a sexual
9 assault response team; under whose authority such teams shall be appointed and assembled;
10 the mission of such teams; and the duties of such teams.

11 BE IT FURTHER RESOLVED that the department, in collaboration with the
12 commission, discuss any other guidelines related to the investigation, treatment, and
13 evaluation of victims of sexual assault, specifically forensic examinations; consent of such
14 victims and when implied consent is appropriate and deemed necessary; and services and
15 treatment of victims under the age of majority.

16 BE IT FURTHER RESOLVED that the Louisiana Department of Health shall submit
17 its findings and recommendations in the form of a written report to the House Committee
18 on Health and Welfare and the Senate Committee on Health and Welfare not later than sixty
19 days prior to the 2020 Regular Session of the Louisiana Legislature.

20 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
21 secretary of the Louisiana Department of Health and the attorney general.
