SB 39 Engrossed

2019 Regular Session

Thompson

Proposed law requires the Louisiana Department of Health to enforce the US FDA's standard of identity for milk, the Pasteurized Milk Ordinance, and the provisions of proposed law to prohibit the sale of plant-based products mislabeled as milk.

Proposed law provides a definition of "milk".

Proposed law shall be enforced when the US FDA begins to enforce the standards of identity for milk.

Proposed law exempts breast milk from provisions of proposed law.

Effective August 1, 2019.
