

## RÉSUMÉ DIGEST

**ACT 339 (SB 62)**

**2019 Regular Session**

**Morrish**

Prior law required the board of commissioners of the Calcasieu-Cameron Navigation District to meet in regular session once each month and to meet in special session as often as the president of the board convenes them, or on written request of three members.

New law retains prior law but changes the requirement that the board meets from once each month to once each quarter.

Effective August 1, 2019.
