February 2020

This letter is to advise you of upcoming changes for our Public Notice customers. We are committed to meeting your needs, and many of your suggestions have been incorporated into our procedures. The following are the changes that will take effect February 1, 2020.

1. We will now provide a printed replica of your ad from the newspaper. This will be printed from our system along with the notarized affidavit that proves publication.
2. For customers requesting a formal tear sheet we will offer a discount subscription of our product to your business. Please visit: [www.theadvocateoffers.com](http://www.theadvocateoffers.com) and put in the code: **business** to receive your discounted subscription rate.
3. If you choose to not to subscribe and still require a tear sheet or printed clipping of your notice there will be a \$10 charge.

We will continue to mail out all proofs of publication 7 to 10 days from publication as per our policy. If at any time you need your affidavit before it is to be mailed out, please contact our Public Notice department and they can scan an affidavit to you.

The Advocate team appreciates your continued business and interest in the many ways that we can improve our offerings, as well as the support associated with this critical component of your business. If you would like to further discuss any of the options and/or changes noted in this letter, please contact me.

Sincerely,
