
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Martha S. Hess.

SB 111 Original	DIGEST 2020 Regular Session	Fields
-----------------	--------------------------------	--------

Present law provides for the contents and format of the executive budget and the general appropriation bill.

Proposed law retains present law and stipulates that the unfunded accrued liability attributable to the departments and budget units of the state be contained in a separate schedule and funded separately from other appropriations to the departments and budget units.

Effective July 1, 2020.

(Amends R.S. 39:36(A)(3)(b)(i)(II) and 51(G))
