DIGEST

SB 213 Original

2020 Regular Session

Cathey

Proposed law provides that for purposes of determining medical necessity related to a substance use disorder, the appropriate patient placement criteria established by the American Society of Addiction Medicine, and no additional criteria, shall be used.

Proposed law provides that "substance use disorder" shall have the same meaning as the same or substantially similar term in the most updated volume of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association.

Effective August 1, 2020.
